CLOSING REMARKS

WELCOME

Welcome to Pet Rescue's 2024 Gala. We're thrilled to celebrate our impact with you and build on decades of caring for dogs and cats in need.

Since our founding, Pet Rescue has been a no-kill, mostly volunteer organization dedicated to ending animal suffering. Our doors are always open - we take animals from owners who can no longer care for them; the streets and kill shelters; and abusive or unsafe circumstances.

With your support, we'll continue to offer refuge, love, and hope for lost, abandoned, and suffering dogs and cats. Together, we speak for those who cannot speak for themselves.

OUR HONOREES

DORIS AND RICHARD KOSIBA

Doris and Richard have a long history with Pet Rescue and were instrumental in transferring stewardship of the Westchester Humane Society to our organization. They support us today as members of our gala committee, and Richard generously donates his time and talents to maintain our grounds, keeping them looking beautiful through every season.

OUR HONOREES

PAULA AND SCOTT JACKSON

Paula and Scott have been generous supporters of Pet Rescue, and long-time animal advocates and rescuers. Just last year, they rescued, vetted, and found homes for 90 animals. Scott also graciously donates plumbing services to our organization whenever needed.

OUR HONOREES

ELAINE FIER

Elaine was a committed and greatly valued Pet Rescue volunteer who we lost in October 2023. Over the last 20 years, Elaine welcomed HUNDREDS of foster dogs into her home, helping them adjust to their new circumstances and giving them a chance for a better future.
